

Supplier Capabilities Spotlight

Pecan Deluxe Candy Company

Pecan Deluxe is a family-owned, global leader in the developing and manufacturing of inclusions and ingredients providing product solutions that appeal to many sectors of the food and beverage industry, including: Dairy (Ice Cream and Yogurt), Hot and Cold Beverages, Bakery, Confectionary, Snacking, Breakfast and Cereal, and Foodservice. We develop combinations of flavors, textures and aromas that are designed to delight our customer partners, whether a small operation or a large global brand, for the flavor profiles of the relevant geographic markets. Our goal is to provide great products, superior service, and a spirit of innovation and collaboration, as we understand that every positive impact we make is like a SECRET INGREDIENT behind our customer's successes. When you are looking for a product that tempts the eyes by providing visual appeal, and satisfies and surprises the taste buds, let Pecan Deluxe help you transform ordinary to extraordinary.

WE'VE GOT

YOU COVERED

Even if you're a world away

For over 60 years, we have been creating exciting inclusions and ingredients to enhance the flavor, texture and visual appeal of foods and beverages.

As Pecan Deluxe has experienced growth, both domestically and internationally, our product and service offerings have evolved as well. As a global ingredient manufacturer and industry leader, no taste is unreachable. We're here to collaborate with and inspire you to take your brand to bold new heights! We welcome you to tour our booth #1722 at the ProFood Tech show, we are elated to share some of our recent discoveries.
