

## A-B-C Packaging Machine Corporation

Every day, A-B-C machines are hard at work; case erecting, packing, sealing, palletizing, bulk depalletizing, and more, on production lines around the world. You can rely on us for **quality machines that stand the test of time, supported by expert service and support for the life of your equipment.**

### Real world packaging solutions

We're working to help dairy processors meet today's packaging challenges with machines that offer **greater flexibility, faster changeover, and wider product ranges**, while making operation simpler and more intuitive than ever before.

### Dedicated to your success

You can rely on A-B-C for **service by factory-trained personnel** who are dedicated to serving you quickly and to your complete satisfaction. All A-B-C service

technicians are PMMI Certified Trainers who offer hands-on training to increase employee confidence and proficiency.

Our website is your resource for information, machine specs and videos; where you can browse applications, download brochures or request a quote. Visit [www.abcpackaging.com](http://www.abcpackaging.com).

With **over 74 years of serving the industry**, we have earned many loyal customers, and repeat business is the cornerstone of our success. When it comes to packaging machines, we know the business. We'd like the opportunity to earn yours.
